

ParkLeisure

British Manufacture with British Guarantees

All Park Leisure Play and Sports equipment is engineered and made exclusively in the UK in our own factory. The equipment is the most robust in the industry and for this reason it carries the longest guarantees.

25 Year Steel Guarantee

against metalwork structural failure

10 Year Parts Guarantee

Park Leisure is unique in the fact that we give an ongoing supply guarantee of 10 years. This means that your play areas will always have spare parts available

7 Year UV Paintwork Protection

against corrosion

5 Year Line Markings Guarantee

on thermo-plastic markings

5 Year Surfacing Guarantee

on wet-pour, safety tiles and grass matting safer surfacing products and installation

2 Year Guarantee

on rope structures, astroturf and installation

See terms and conditions for full details. This guarantee is given subject to the following:

Normal wear or accidental/intentional damage resulting from use of the equipment.

All equipment supplied by the customer or original, specific orders imposed by the customer.

Deterioration of the equipment due to failure to comply with the sellers servicing, maintenance and installation specifications.

All compensation for loss of use if an item of equipment is temporarily unusable.
